Preston Prizes

By: Ariana Moneskey-Jones
(3rd grade)

Are you wondering why your kids are coming home with prizes? One prize is Popcorn Fridays. The staff picks a class/classes to get popcorn on Friday. It could be multiple times depending if those classes are positive, awesome, and wonderful students (PAWS). So remember Preston leaders are popping up everywhere here. There is also an Outstanding call when everyone on the color yellow goes up to the office to get a special surprise. Also speaking of prizes Preston leaders have caught being good cards. If your child has ten caught being goods they can get a prize such as a stuffed animal, pen, lollipop, bouncy ball, and etc. We also have students of the month when the staff picks two leaders for each grade. Mrs. Hammond's class has some great leadership in Preston Elementary School. (continued on p.2)

A First Grader's Caught Being Good Ticket

Mrs. Glutting with Ashlyn Walker

Mrs. Glutting

By: Ashlyn Walker (4th Grade)

Mrs. Glutting, the school counselor, has a hard job. These questions made her think. First, I asked her "How do you make people feel better?" She says that she listens, helps them problem solve, and makes them laugh. She resolves problems by using the student's permission to talk to an adult who can help. She also might make suggestions of things to try. Next, I asked her if kids usually come in calm or anxious. She said she gets a little bit of both, anxious and calm students. She told me that sometimes it is hard to look on the bright side. Sometimes it is easier to just let all of the dark stuff out. She says the part of helping kids are the kids themselves. "Kids are awesome", she says. She chose to be a counselor because she loves to talk, listen, and help kids. Kids can make people feel better by making sure to include people, talking out problems, and let people know they are not alone. Finally, I asked if she helped only kids or adults too. She helps adults with kid related problems. She helps kids ages Pre-K through twenty-one. Now we can see how hard Mrs. Glutting's job is.

What's Happening in Kindergarten

By: Edward James Serdinak (4th grade)

Kindergarten is having a spooky start to the month. They're going batty about learning about bats. Kindergarten loves their learning stations, recess, daily five, and getting their clips moved up. They love their teacher, they think she is nice, and they like her hair. Kindergarten thinks the P.B.I.S. Chart is excellent because they can get on great job and outstanding. They love kindergarten so far.

Mrs. Worthington's Kindergarten class

**Preston Prizes
(continued from p.1)**

They have had popcorn Friday three times. They said they can show they are leaders by being kind, quiet, honest, respectful, helpful, and by following directions. Almost every student had one or two holes in their caught being goods because of how many were cashed in for prizes. So I guess leaders are really everywhere at Preston Elementary School. So congratulate them for being great students.

**Tips and Reminders
By: Brandon Digeroloma
(5th Grade)**

- Don't forget to be quiet in the halls at 2:30-3:00 for the morning announcements.
- Make sure you give the PTA a thanks for making all of parties and events for the school great!
- If you drop your food on the floor you should pick it up and throw it away so Mr. Mark doesn't have to pick up after us.
- Respect the adults in the Cafeteria because they care for us.

Preston Pride News Crew

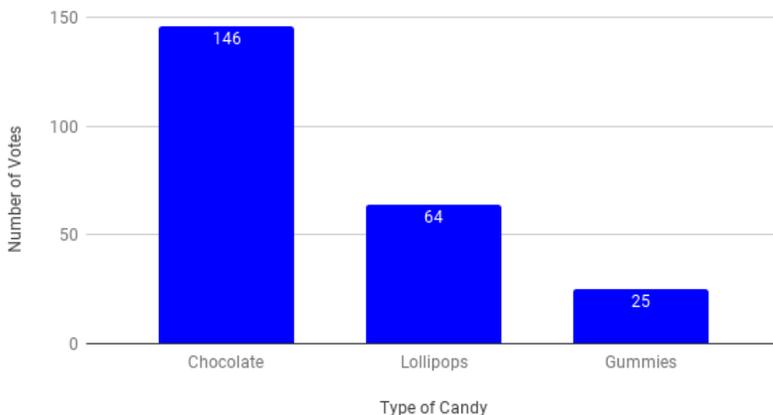

**Morning Announcements
By: Tyler Priester (4th grade)**

Have you ever wanted to know how Mr. Nelman does the the morning announcements? Well I found out. First, I asked him how he came up with the idea of the morning announcements and he said he saw another school doing announcements. Mr. Nelman thought it would be a good idea to bring morning announcements to Preston. Second, the tools Mr. Nelman uses are a camera, a green screen to interview, and a Mac to edit. Then I found out who gets picked to be leaders of the Pledge and the Preston Pledge. All of the grades get picked to be leaders to do the Pledge and Preston Pledge. They interview from 2:30 till 3:00 while using scripts to practice and Mr. Nelman edits from 3:00 till 3:45. Making the morning announcements is hard work.

Preston's Favorite Trick-Or-Treat Candy

Gianna Jacobs (4th Grade) took a survey of all the students at Preston Elementary. She asked, "What is your favorite trick-or-treat candy?" The graph on the left is the results of that survey.
